- (b) After the Closing Date and during the Origination Period, each Originator shall deliver to the Authority the Mortgage Documents pertaining to each Mortgage Loan which is to be sold by the Originator to the Authority. The Originator shall pay all costs of preparing and furnishing to the Authority the Mortgage Documents and the Mortgage Loan File. The Mortgage Documents with respect to each Mortgage Loan shall be reviewed by the Authority prior to the Purchase of such Mortgage Loan by Authority. Any Mortgage Loan with respect to which the Mortgage Documents are deemed to be defective may be returned by the Authority, with all instruments submitted in accordance with this Section, to the

Originator to be cured, if possible. To be included in the Program, such Mortgage Loan must be resubmitted in accordance with the procedures of this Section and must constitute a Qualified Mortgage Loan. The examination of a Mortgage Loan by the Authority hereunder or by any party shall not constitute a waiver of any warranty, representation or covenant by the Originator or the Mortgagor with respect to the Mortgage Loan.

- (c) The Authority shall be obligated to Purchase any and all Qualified Mortgage Loans submitted to it for Purchase by the Originators and approved for purchase by the Authority under the terms of this Agreement. Only Qualified Mortgage Loans submitted in accordance with this Section 4.6 and which conform to the requirements of the Invitation and this Agreement shall be purchased. The Authority shall retain the right not purchase any Mortgage Loan if the Purchase Date is more than thirty (30) days after the Closing Date of the Mortgage Loan in the absence of written authorization of the Authority. Any and all amounts representing Escrow Payments collected by an Originator with respect to a Mortgage Loan being purchased pursuant hereto shall be paid over by such Originator to the Authority, to be held in an account which shall conform to the escrow requirements of FHA, RD, or Fannie Mae as applicable. Upon the Purchase of each Qualified Mortgage Loan, the Authority shall deliver to the Originator the appropriate Servicing Release Premium for the Mortgage Loans. Prior to the Purchase of a Mortgage Loan or the inclusion thereof in a Pool, the Authority shall record or file for record the Mortgage Documents (or ensure the recordation or filing thereon for such Mortgage Loan in all offices necessary to perfect the lien of the Mortgage under the laws of the State and submit same, with proper recordation notation, with the Mortgage Loan File. All notices to insurers under any insurance policies maintained with respect to a Mortgage Loan under this Agreement which are required to be given for mortgages insured by FHA, guaranteed by RD, or a PMI Insurer shall be given by the Originator. The Originator shall submit the complete Mortgage Loan File within 10 days from the closing date prepared in accordance with the Mortgage Submission Voucher, Step 3 and containing the documents specified therein.
- (d) The Authority has determined that it will be the purchaser of Qualified Mortgage Loans as provided in Section 4.6(a) above, Qualified Mortgage Loans shall be formed into Pools for the issuance of the Mortgage Certificates.

Section 4.7 Maintenance of Mortgage Loan File. Each Originator shall maintain a Mortgage Loan File, containing copies of all Mortgage Documents and such other documents specified from time to time by the Authority, with respect to each Mortgage Loan originated by the Originator and sold to the Authority until at least three (3) years after the date the Mortgage Loan is Purchased.

Section 4.8 Defects and Non-Submission. Following the Purchase of any Mortgage Loan by the Authority, and notwithstanding the review of the Mortgage Documents prior to Purchase pursuant to Section 4.6, if the Originator does not submit the completed Mortgage Loan File to the Authority within one hundred twenty (120) days from the Purchase Date, the Originator shall, at the option of the Authority, repurchase the Mortgage Loan at a price equal to the amount specified in (i), (ii) and (iii) below. If any documents constituting a part of the Mortgage Loan File for the Mortgage Loan are, notwithstanding the review of the Mortgage Documents prior to Purchase pursuant to Section 4.6, in the judgment of the Authority, defective or inaccurate in any material respect, or any representation or warranty of the Originator or any party in connection with the Mortgage Loan is, in the judgment of the Authority, untrue as to any material matter, or if the Mortgage Loan fails to qualify for inclusion in a Pool or is otherwise not a Qualified Mortgage Loan, the Originator shall cure the defect within a period of sixty (60) days from the time it receives notice of the existence of the defect or inaccuracy or that such Mortgage Loan is not a Qualified Mortgage Loan or such shorter period as may be required by law. Each Originator hereby agrees that, if any material defect or inaccuracy cannot be cured within such sixty (60) day period, or such shorter period if applicable, or if the Mortgage Loan fails to qualify for inclusion in a Pool or is otherwise not a Qualified Mortgage Loan within such sixty (60) day period, or such shorter period if applicable, (a) it will, not later than ninety (90) days after notice to it respecting such defect or inaccuracy as to a Mortgage Loan with an outstanding principal balance, repurchase the related Mortgage Loan from the Authority at a price equal to (i) the outstanding principal balance of such Mortgage Loan plus (ii) any accrued and unpaid interest at the annual rate borne by the Mortgage Note to

the date of repurchase, plus (iii) any Servicing Release Fees or other earned fees paid to the Originator (iv) any other funds advanced by the Authority for down payment assistance, etc., and (b) in all cases, whether or not the Mortgage Loan has been repaid or otherwise satisfied, it will indemnify and hold harmless the Authority, its directors, officers, employees and agents, and their respective successors and assigns, for any loans, forfeitures, penalties, damages or expenses (including reasonable attorney's fees) incurred by them with respect to the defective Mortgage Loan; provided, however, that for the purpose of this Section 4.8, the falsity of a representation by a Mortgagor respecting some fact or facts which (a) the Originator is entitled to rely upon under the provisions of this Agreement, and (b) is of such nature that although false, security for any payment of the pertinent Mortgage Loan is not thereby adversely affected, and (c) is relied upon by the Originator in good faith and without notice of the falsity, shall not be deemed a material defect or inaccuracy. The purchase price of the Mortgage Loan being repurchased shall be remitted by Originator to the Authority with notice to the Administrator of the amount of such remittance and the Mortgage Loan concerned and, upon receipt by the Authority of written notification of compliance with all of the terms of this Section by such Originator from the Administrator, the Authority shall assign and deliver the related Mortgage Documents to the Originator. The Authority is authorized to execute and deliver such instruments of transfer or assignment, in each case without recourse, as shall be necessary to vest in the Originator such repurchased Mortgage Loan. In addition to any other remedy provided for in this Agreement, where, in the sole judgment of the Authority, the Originator fails to submit to the Servicer or the Authority the required final documentation for inclusion of a Mortgage Loan in a Ginnie Mae or Fannie Mae Pool within 120 days of the closing date of such Mortgage Loan, the Originator hereby agrees to pay a \$100 penalty to the Servicer for each 30 day period thereafter that such Mortgage Loan file remains incomplete in any respect. Furthermore, if 180 days after the closing date of such Mortgage Loan, the Mortgage Loans shall remain unqualified for inclusion in a Ginnie Mae or Fannie Mae Pool, the Originator hereby agrees to repurchase said Mortgage Loan not later than 90 days after notice from the Authority at a price equal to (i) the outstanding principal balance of such Mortgage Loan, plus (ii) any accrued and unpaid interest at the annual rate borne by the Mortgage Note to the date of repurchase, plus (iii) and Servicing Release Fees paid to the Originator, plus (iv) any other funds expended or advanced by the Authority with respect to such Mortgage Loan. The Authority is hereby authorized by the Originator to execute and deliver such instruments of transfer or assignment, in each case without recourse, as shall be necessary to vest in the Originator such repurchased Mortgage Loan. Any Originator in violation of the provisions of Section 4.6(c) and 4.8 or having incurred penalties pursuant to Section 4.6(c) and 4.8 in excess of \$500 outstanding for more than 60 days may be barred from participation in current and future programs of the Authority, of whatever type, in the sole discretion of the Authority. Each Originator hereby waives any statute of limitations or other law that might otherwise be raised in defense to any repurchase obligation hereunder.

Section 4.9 Early Payment Default. Early Payment Default ("EPD") is defined as any loan for which any of the first seven payments due to the Authority after the purchase date of the loan becomes ninety (90) days or more delinquent. For the purposes of determining whether an EPD has occurred, a payment is excluded from being considered as a payment due the Authority if the loan balance purchased by the Authority has been amortized for the applicable scheduled payment, or if the scheduled due date for the payment is on or before the purchase date of the loan.

A payment is considered 90 days or more delinquent if it has not been received by the Authority, whether from the borrower directly or forwarded by the participating lender if the borrower has submitted the payment to the participating lender, within three (3) months after the payment due date, regardless of the number of days in the month.

Upon the occurrence of an EPD with respect to any loan, the participating lender is obligated to repurchase the loan in accordance with the Mortgage Origination Agreement and the Program Manual.

Example 1: The first payment due the Authority was November 1st. The November 1st, December 1st, January 1st and February 1st payments were made on time. If the March 1st payment is not received by the Authority by May 31st, then that payment is considered three (3) months delinquent and the loan is an EPD loan.

Example 2: The first payment due the Authority was November 1st. The November 1st and December 1st payments were made on time. If the January 1st payment is not received by the Authority by the end of the business day on March 30th, the payment is considered three (3) months delinquent and the loan is an EPD loan.

Section 4.10 Defective Documents and Non-Qualifying Mortgage Loans; Repurchase of Loans by Originator.

- (a) If any document required to be submitted by the Originator in accordance with the Program Manual is defective in any material respect, or if it is determined that a Mortgage Loan is a Non-Qualifying Mortgage Loan, the Authority has knowledge thereof, shall promptly notify the Originator specifying the defect or defects in questions and the Originator shall cure the defect within a period of 30 days from the earlier of the time the Originator discovers such defect or the Originator receives notice of such defect from the Authority or the Trustee (the "Cure Period"). "Defect" or "Defective," whether or not capitalized, for purposes of this Section 4.10 shall mean a failure to cause the Mortgage Loan to comply with the terms of this Agreement.
- (b) With respect to defective Mortgage Loans or Non-Qualifying Mortgage Loans, the Originator hereby covenants and agrees that if any Mortgage Loan is determined by Servicer to be a defective Mortgage Loan or a Non-Qualifying Mortgage Loan and the defect causing the same cannot be cured, the Originator will repurchase or, at the option of the Authority, will cooperate fully with the Authority in a foreclosure action with respect to such Mortgage Loan or Non-Qualifying Mortgage Loan (if possible). If it is not possible for Servicer to foreclose such Mortgage Loan or Non-Qualifying Mortgage Loan, then the Originator shall be required to repurchase such Mortgage Loan or Non-Qualifying Mortgage Loan on the terms and conditions set forth in the preceding paragraph. At the option of the Authority and the Originator, the Authority may foreclose and the Originator will be obligated to pay the Authority any deficiency remaining following disclosure.
- (c) As used herein, the term "Non-Qualifying Mortgage Loan" shall mean and include any Mortgage Loan purchased hereunder with respect to which:
 - (1) Any statements contained in any of the affidavits or certifications of Mortgagor, builder/seller, or Originator are determined to be incorrect, untrue, misleading or fraudulent;
 - (2) There is a default in the first payment due on the Mortgage Loan, or the Mortgage Loan otherwise fails to comply with the terms hereof;
 - (3) The Mortgage Loan is prepaid within 90 days after it is purchased from the Originator; or
 - (4) The Mortgage Loan becomes delinquent within the first seven (7) months after it is purchased from the Originator.
 - (5) An Early Payment Default as defined in Section 4.9.
- (d) With respect to Non-Qualifying Mortgage Loans, each Originator hereby covenants and agrees that if any Mortgage Loan is determined by the Authority to be a Non-Qualifying Mortgage Loan and the defect causing the same cannot be cured, such Originator will repurchase or, at the option of the Authority, will cooperate fully with the Authority in a foreclosure action with respect to such Non-Qualifying Mortgage Loan (if possible). Each Originator further covenants and agrees that if any fee is assessed by Ginnie Mae, Fannie Mae or Freddie Mac, as the case may be, with regard to a Non-Qualifying Mortgage Loan, such Originator will pay the amount of the fee to the Authority. If the Authority exercises the foreclosure option and if it is not possible for the Authority to foreclose such Non-Qualifying Mortgage Loan, then such Originator shall be required to repurchase such Mortgage Loan efficiently on the terms and conditions set forth in this Section. Without limiting the foregoing and in addition thereto, with respect to

Non-Qualifying Mortgage Loans described in items (c) above, each Originator hereby further covenants and agrees to refund to Servicer any Servicing Release Premium paid by Servicer with respect to a purchase of Servicing Rights, and with respect to Non-Qualifying Mortgage Loans described in item (c) above, each Originator hereby further covenants and agrees to indemnify and hold Servicer harmless from any and all losses or expenses incurred as the result of a foreclosure on such Mortgage Loan.

- (e) Each Originator hereby covenants and agrees that if Originator has failed to repurchase a defective or Non-Qualifying Mortgage Loan within the time required by this Agreement after receipt of requisite notice hereunder, the Authority may reduce the amount of any payment due to Originator for the purchase of Mortgage Loans by an amount equal to the unpaid repurchase price for the defective or Non-Qualifying Mortgage described in this Section 4.10 together with the amount of any fees described in Section 4.10(d). After exercising the right to net fund described in this paragraph, the Authority shall deliver the Mortgage File with respect to each defective or Non-Qualifying Mortgage Loan within the time otherwise required under this Agreement for repurchased Mortgage Loans.
- (f) Each Originator hereby waives any statute of limitations or other law that might otherwise be raised as a defense to any obligation to repurchase a Non-Qualifying Mortgage Loan under this Agreement or to the Authority's exercise of the right to net fund described in Section 4.10(e).

Section 4.11 Reallocation of Funds from Repurchase. If, during the Origination Period, an Originator is required to repurchase a Mortgage Loan from the Authority pursuant to Section 4.8 hereof, the Authority may reallocate the Reservation of Funds applicable to such Mortgage Loan to other Originators or in such other manner as the Authority may deem appropriate.

Section 4.12 Extension of Commitment Period. The Authority may at its discretion extend the expiration date of the 15 day Reservation/Commitment Period for an additional fee of .25% of the Mortgage Loan. The interest rate will be determined at the time of the Commitment extension as either the higher of the reservation rate or current market rate. Reservation periods of 30 days may be extended, at the discretion of the authority

Section 4.13 Disclosure of Purchase of Mortgage Loan and Servicing Rights. At the Closing of each Mortgage Loan, the Originator of the Mortgage Loan shall disclose in writing to the Mortgagor that financing of the Mortgage Loan is being provided by the Authority, that the Mortgage Loan will be sold to the Authority and that the Authority will provide the servicing of the Mortgage Loan.

ARTICLE V DUTIES OF THE AUTHORITY

Section 5.1 Availability of Funds. The Authority hereby agrees to use its best efforts to make funds available to purchase the Mortgage Certificates in an amount equal to the principal amount of Qualified Mortgage Loans purchased by the Authority hereunder.

Section 5.2 Issuance of Notices. The Authority hereby agrees to issue such notices as may be necessary to fulfill the obligations of the Authority hereunder or to effectuate the purposes of the Program and this Agreement.

Section 5.3 Review of Originators' Performance. The Authority may periodically review the performance of the Originators, as reflected by the reports and recommendations of the Administrator and such other evidence as may be presented to the Authority, to determine if the Originators are performing in accordance with the standards requires by the Agreement. If the Authority, in it's sole discretion, determines that an Originator is not performing in accordance with such standards, the Authority shall notify such Originator of any such deficiency, and the Originator shall have (30) days to cure such deficiency. If, upon the expiration of (30) days, the deficiency, in the sole discretion of the Authority is still in existence and if such deficiency is deemed sufficient by the

Authority to warrant termination of such Originator, then the Originator, shall be notified that its services are being terminated and the date on which such termination shall be effective.

Section 5.4 **Assignment of Duties of Authority.** The Authority will serve as the administrator of the Program; provided, however, that the Authority reserves the right to appoint a separate administrator and to delegate to such successor administrator such duties hereunder as the Authority may determine. The Authority may also assign, from time to time, to the extent permitted by law, all or a portion of its authority, rights and/or duties under this Agreement to members of its board of directors or staff or to experts, consultants, or other persons or entities retained by the Authority. Upon notice to the Originators of the taking of any action pursuant to this Section 5.4, the Originators shall deal with any such assignee or successor administrator in accordance with the terms set forth in the notice of an assignment hereunder or such assignment, until notice to the Originators of any modification or termination of such assignment.

Section 5.5 **Execution of Documents.** The Authority shall cause to be executed and delivered instruments of assignment or conveyance and all other documents which are reasonably required to be executed and delivered by the Authority in connection with the Program and which are not inconsistent with the provisions hereof and of the Indenture.

Section 5.6 **Consultation Concerning Agreement and Program Guidelines.** If any Originator has a question concerning its duties or responsibilities under this Agreement or the Program Guidelines, the Authority shall be available for consultation and advice.

Section 5.7 **Review of Mortgage Loans Prior to Purchase.** In addition to the other duties imposed upon it under this Agreement, the Authority shall review the Mortgage Documents submitted by the Originators for each Mortgage Loan prior to the origination thereof, for the purpose of determining whether the said Mortgage Loan is a Qualified Mortgage Loan which is eligible for inclusion under the Program. No Closing shall occur nor shall any Mortgage Loan be purchased from an Originator or included in a Pool, unless and until the Authority has certified it as a Qualified Mortgage Loan. In the event the Mortgage Documents or the Mortgage Loan File pertaining to any Mortgage Loan is, in the judgment of the Authority, defective or the Mortgage Loan is otherwise not acceptable for inclusion in the Program in accordance with the terms of this Agreement, the Authority may return the Mortgage Documents or the Mortgage Loan File to the Originator for curative action, specifying the defect or, the Authority, in its discretion, may hold such Mortgage Documents or the Mortgage Loan File pending correction of the defect, as specified in a notice or otherwise communicated to the Originator. In its discretion, to be exercised by notice in writing to the Originators, the Authority may require that certain documents in addition to the Mortgage Loan Documents be submitted to the Authority for review prior to the Closing of the related Mortgage Loan.

Section 5.8 **Limited Liability.** All obligations of the Authority incurred hereunder shall be special, limited obligations of the Authority, and nothing contained hereunder shall create any indebtedness or be construed to create any moral obligation on the part of the Authority, or permit any person to compel the exercise of the taxing power of the State or any political subdivision thereof.

ARTICLE VI TERMINATION AND LIABILITIES

Section 6.1 **Originators Not to Resign.** Originators shall not have the right to resign from the obligations and duties hereby imposed on them. Except as permitted by Section 2.2(j), no Originator shall have the right or privilege to assign or transfer its rights and duties under this Agreement.

Section 6.2 **Involuntary Termination of Originators.** The Authority may terminate this Agreement with respect to any Originator upon the happening of any one or more of the following events:

- (a) Falsity in any material respect of a representation or warranty of the Originator to the Authority.

- (b) Failure of the Originator to comply in all respects with its obligations under this Agreement.
- (c) Failure of the Originator duly to observe or perform in any material respect any other covenant, condition or agreement in this Agreement to be observed or performed by it other than as referred to in Section 6.2(a) or (b) hereof, for a period of thirty (30) days after a written notice to it from the Authority specifying such failure and requesting that it be remedied; provided, however, if the failure stated in the notice is not the result of fraud or willful misconduct and cannot be corrected within the applicable period, the person giving such notice shall consent to a reasonable extension of time if corrective action is instituted by the Originator within the applicable period and is diligently pursued until fully corrected.
- (d) Decree or order of a court, agency or supervisory authority having jurisdiction in the premises appointing a conservator, receiver or liquidator in any insolvency, readjustment of debt, marshaling of assets and liabilities or similar proceeding affecting the Originator or substantially all of its properties, or for the winding-up or liquidation of its affairs, if such decree or order shall have remained in force undischarged or unstayed for a period of sixty (60) days.
- (e) Consent by the Originator to the appointment of a conservator, receiver or liquidator in any insolvency, readjustment of debt, marshaling of assets and liabilities or similar proceeding affecting the Originator or substantially all of its properties.
- (f) Admission in writing by the Originator of its inability to pay debts generally as they mature, or the filing of a case or petition to take advantage of any applicable bankruptcy or insolvency statute, or the making of an assignment for the benefit of creditors.

If any of the events specified in (d), (e) or (f) above shall occur, the Originator shall give written notice of such occurrence to the Authority within two (2) days after the happening of such event.

Section 6.3 Excused Nonperformances. Notwithstanding anything in this Agreement to the contrary, there shall be no termination of, and no liability under, this Agreement with respect to an Originator for its failure to duly observe or perform in any material respect any covenant, condition, or agreement to be observed or performed by it, if such failure on its part is directly caused by the failure of the Authority to observe or perform in any material respect any covenant, condition, or agreement to be observed or performed by the Authority.

Section 6.4 Access to Records and Agreement to Pay Attorneys' Fees. The Authority or its agents, may, from time to time, request any Originator to allow the inspection of any of its books and records, or any records of its accounts maintained by any bank or depository, pertaining to the Program and the Originator shall allow such inspections, access to, and copying of such books and records at reasonable times during Originator's normal business hours and upon reasonable terms. If it is determined in a judicial proceeding that an Originator has breached or failed to perform under any provision of this Agreement, and if the Authority shall employ attorneys or incur other expenses for the enforcement, performance, or observance of the terms of this Agreement on the part of an Originator, then the Authority as the case may be, to the extent permitted by law, shall be reimbursed by the Originator, on demand, for reasonable Attorney's fees and other out-of-pocket expenses.

Section 6.5 No Liability for Removal of Originator. Notwithstanding any provision in this Agreement to the contrary, the Authority shall not be liable in any respect for the termination of an Originator for cause (including without limitation any event specified in Section 6.2) or owe any duty to such Originator if terminated for cause.
