 - Annual Allocation Plans
 - Apply for Funding
 - Income & Rent Limits
 - Market Analysis
 - Radon Zones

How to Apply

Because the supply of HOME funds and Housing Credits is limited, AHFA has created a prioritizing system to determine which projects receive funding awards.

- AHFA develops and implements allocation plans each year, which include selection criteria, an evaluation process, and compliance monitoring procedures.
 - [Download AHFA's allocation plans for the current year](#)
- Applications are accepted during AHFA-designated funding cycles which generally occur soon after HUD's approval of AHFA's annual program.
 - [Join our mailing list to be notified of application dates](#)
- AHFA directs application cycles on a competitive basis. Funding decisions are based on the project selection criteria and a point scoring system outlined in the application package.
 - [Click here to begin your application](#)

Step 1 (cont.)

- On the **“Apply for Funding”** page, click **“AHFA’s online application”** tab (see caption below):

The screenshot shows the Alabama Housing Finance Authority website. At the top left is the logo and name. To the right is a green button labeled 'ACCESS YOUR ACCOUNT'. Below the logo is a navigation menu with links for Home, About, News, Contact, and Renters. A large banner image of a modern house is displayed. Below the banner, the breadcrumb trail reads 'Home - Multifamily - Allocation & Application Info - Apply for Funding'. A search bar is located on the right. On the left, a 'Menu' dropdown is open, showing options: 'HOME & Housing Credits', 'Multifamily Bonds', and 'Funded Applications Search'. A red arrow points from the 'Multifamily Bonds' option to the 'Apply for Funding' section. In this section, there is a link: 'Click here to access AHFA's online application for 2014'. Below this link is a note: 'The online application portal is available for HOME/Housing Credit/Multifamily Bond funding applications.'

Please note that current changes and updates to the website show the link as: **“Online DMS Authority Application”**.
